ADOPTED

MEMORANDUM

JANUARY 11, 1990

TO: BOSTON REDEVELOPMENT AUTHORITY AND
STEPHEN COYLE, DIRECTOR

FROM: JOSEPH NOONAN, ASSISTANT DIRECTOR
FOR MANAGEMENT AND BUDGET

SUBJECT: PRICE INCREASES FOR GENERAL SALES AND SERVICES

Attached for your approval is a booklet detailing the cost and services available at the Authority.

A review of the cost of sales and services offered by the Authority has resulted in the recommendation that prices overall should be increased by 20%. This represents an average of 10% per year since the last increase.

The monies received from these sources in Fiscal Year 1989 amounted to approximately $110,000. The increases will generate approximately $20,000 to $40,000, resulting in $130,000 to $150,000 in miscellaneous revenues which will help to pay indirect costs.

VOTED: That the Authority hereby approves the cost and services pricing as outlined in the booklet dated December 28, 1989.
